

Nissan Forklift

Nissan takes immense pleasure in achieving complete customer satisfaction, when their consumer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and meticulous quality standards to their clients. Incorporating a rich heritage combined with strong processing principals, Nissan lift trucks provide many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the company has four separate production facilities that allow them to persistently adapt to their consumers continually evolving wishes by providing an assortment of innovative ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fabrication, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and procedures that limit their environmental footprint. These high values remind clients that Nissan operates under the quality seal that their clients insist upon while being an environmentally conscious company.

Nissan is assured that they will be able to address any buyer questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned dealers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
